COMMUNITY OUTREACH

At SCR we strongly believe the youth is the future. That is why we are committed to teaching and being involved in the educational process. We have been involved with several agricultural education student organizations.

FRIENDS

We're proud to work with these amazing friends of SCR. There's an old saying that says you're only as good as the company you keep. Here at Sandy Creek Ranch, we're proud to work with a variety of companies who are committed to the health of our animals.

GUEST SPEAKER

David P. Anderson

David Anderson is a Professor and Texas A&M AgriLife Extension Economist in the department of Agricultural Economics at Texas A&M. His work involves the analysis of livestock market economics and policy. He is originally from Coolidge, Arizona where his father is a cotton farmer.

WELCOME

Howdy,

Welcome to Sorensen Sandy Creek Ranch (SCR). Paul and Staci Sorensen started SCR in 2005 with 86 acres and 12 head of Brangus cattle. As the years went by, this hobby grew and in 2014 SCR expanded into what it is today with 400 cows and 21 Registered sires. The vision is to take the best commercial Brangus cows and breed them to registered sires, resulting in Brangus Premium Gold Calf. You will see that no external operations are used to grow or finish the animals. From the time the calf hits the ground until the time it leaves the property; the TEAM here has been caring for and raising the cattle. As of 2016, SCR has added a Registered Brangus operation that includes the purchase of several registered cows that has grown to over 60 head. They will be available at future auctions as we broaden our offering. The TEAM here at SCR is excited to share our passion with you and hope you have a great experience at this year's sale.

-The Sandy Creek Ranch Team

Quality that lasts Generations

TERMS & CONDITIONS

Terms & Conditions:

All cattle sell under the terms and conditions listed in this catalog.

Payment:

Cash, credit card or check at end of sale.

Liability:

All persons attending the sale do so at their own risk. The sale host and/or the sale management and/or consignors assume no liability for accidents, theft or damages on the sale facility site.

Health Terms:

All cattle selling will be accompanied with a valid health certificate to be shipped anywhere in the continental United States.

Bidding:

Each animal will be sold to the highest bidder with reserve.

Bidding Disputes:

The auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

Terms:

Terms of the sale are cash or check to the clerk at the conclusion of the sale.

Possession:

Immediately after the animal is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained until payment is made.

Certification:

A certificate of registration will be furnished and transferred to the purchaser on each lot in the sale, including calves at side.

Health:

Bidders should consider individual state requirements before purchasing.

Guarantee:

Breeder guarantees are strictly between the individual consignor and the purchaser at the sale. All calves at side are given to the purchaser free and carry no guarantee.

Notice:

The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

Pedigrees:

The seller has furnished the information on the pedigrees of the animals announced.

Announcements:

All announcements from the auctioneer block shall take precedence over information printed in the catalog.

Contract:

The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold. No cattle may be loaded up until after the sale.

Buyer Responsibility:

Prospective buyers or bidders at the sale should listen carefully to all announcements made from the auction block by the auctioneer, pedigree reader, or seller on each animal that is sold. Buyers should acquaint themselves with terms concerning the breeder status, fertility, and health papers on each animal sold. It is the responsibility of the buyer to be aware of health regulations for transportation of animals into the state of their residence. By doing so, a buyer can save himself many problems and also enable himself to be more competent and qualified buyer.
